

Who We Are

Sei-Ki-Kan, LLC is a small Portland company made up of friends and family. We believe in our product and in making the world a healthier place. We aim to inspire love for the complex flavors of fresh whole foods.

Sensei Sauce™ is handmade in small batches, using fresh healthy ingredients. We DO NOT use fillers or preservatives. We toast each batch with sake (rice wine) to show our love and respect for what we make, and for the world around us. Unlike most cooking sauces, **Sensei Sauce™** does not cover up the flavors of food - it enhances them. Oh, its Gluten Free Too!

We call it “Judo for your food”.
